Words from the composer:

In this seven minute curtain raiser, my inspiration has come from the American Musical Comedy. I have tried to express in a brief Sonata form movement the exhilaration of "getting away from it all" for a few short hours on a festive bank holiday. Musically, the piece is an homage to the great days of the Broadway musical with its irrestiable breashness and irrepressible high spirits.

Write a short story that goes along with this piece. Try to imagine the scene in a movie for which this is the soundtrack and put it down into words.
